EDITORIAL NOTE.—Every effort has been made by the publishers to have the above lists as accurate and complete as possible, for which purpose they obtained permission, through the courtesy of the Hon. Sir Adolphe Caron, for their agent at Ottawa to examine the official pay lists of the various corps. In this way all of the above were procured, except the members of the staff, compiled from various sources; the names of the Mounted Police, kindly supplied by the Comptroller of that branch of the Department of the Interior; the list of the detachment of the Foot Guards, furnished specially by Major Todd; and the names of officers, and men of the Queen's Own Rifles and Midland Battalion, obtained from the columns of the *Globe*. The first pay lists of these latter corps were not available at Ottawa on the last application of our agent; and for a similar reason we regret that mention of the names of those who served in the following organizations has to be omitted:—(1) The detachments of "A" Battery and "O" Company, serving with Gen. Middleton; (2) French Scouts; (3) The Surveyors' Intelligence Corps; (4) The Rocky Mountain Rangers; (5) The St. Albert Volunteers; (6) Steele's Scouts; (7) The Prince Albert Volunteers; (8) Boulton's Mounted Infantry.

OMISSIONS.—Following are the names of certain of the Medical Staff which were not received early enough for proper classification:—Dr. Roddick, deputy sgn.; Dr. Felletier, asst. den. sgn.; Dr. Sullivan, purveyor-gen. of hosp. stores; Sgn.-Maj. Douglas, V.C.; Dr. Bell, at Clarke's Crossing; Dr. Gravelay, at Qu'Appelle; Dr. Willoughby, Dr. Wright, Sgn.-Maj. Casgrain, Dr. Powell, Mrs. Miller (chief nurse of the hospital at Saskatoon), and three Sisters of St. John.
