Dear Bev:

Included in this package are some Meeting Logs that were first introduced at the PMC meeting in Saskatoon on June 17th, 2009. These Meeting Logs are a way for you to keep a record of any meetings you attend or telephone conversations you have whether they are with a Provincial or Federal Minister, a Deputy or Assistant Deputy Minister, Industry, or any other individual you feel appropriate. The logs are designed to be quick and easy to use and to provide useful information for your records. Each log contains the following information:

- The date of the meeting
- Who attended the meeting and what organization they belong too, whether it be a Provincial or Federal Ministry, Business, Local or Region (or any other pertinent information).
- What was discussed
- What decisions were made at the meeting

The Métis Nation – Saskatchewan represents Métis Citizens living in Saskatchewan. As such, the MN-S strives for the political, legal and constitutional recognition and guarantee of the rights of our People, including the right to a land and resource base, self-government and self-government institutions.

The Meeting Logs themselves are made of carbon paper and when you fill out the top sheet, the two colored sheets underneath are filled out as well. One of these forms will be for your records, while the other two need to be sent to the MN-S Head Office for our records and reporting purposes. I have included a stamped envelope for you to return any completed Meeting Logs to my desk. If you need more in the future, please call or e-mail me to request some and I will get them to you ASAP.

As this is a pilot project, we are interested in any and all feedback that you can provide us, so please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to be 'Peter Dodson', with a long horizontal flourish extending to the right.
