

## Elmer Ghostkeeper

Elmer is former President of the Federation of Métis Settlement Associations and is a member and Elder of the Buffalo Lake Métis Settlement of Alberta. He holds a Master of Arts Degree in Anthropology and a diploma in Civil Engineering Technology. He has authored a book titled: *Spirit Gifting: The Concept of Spiritual Exchange*. Elmer has over thirty years of life care experience. He describes life care as Holistically satisfying the needs of the four aspects of spirit, mind, emotion and body in order to live a happy and healthy lifestyle. He shares this holistic approach to life care through WECHÉ Teachings. Elmer is the President of Ghostkeeper Global Ltd, an Aboriginal multi-purpose business incorporated in 2003.

He has participated in various provincial education boards in Alberta. He was Regional Manager of Aboriginal Health Services for the Capital Health Authority in Edmonton where he developed a unique program to help people live with and manage diabetes. Elmer was also a Native scholar for Aboriginal awareness to subjects taught through McGill University (1998). He is a Fellow of the Arctic Institute.
