Senator Vital Morin
Chairperson of Metis Nation of Saskatchewan Senate

Dear Senator Morin:

Thank you for the minutes you provided to the Metis Nation of Saskatchewan (MNS) from your October 11, 1995 meeting. As MNS Provincial Secretary, I am very concerned with matters of protocol. Our Treasurer, Allan Morin, will contact you regarding financial matters. I wish to assure you that no member of the MNS Executive lacks respect for the Senate. We hold you in our hearts as builders of our Nation and honour you for your contributions.

We appreciate the fact that the Senate clerk, Earl Pelletier, should be contacted on matters relating to Senate activities. This will help us with logistics in future planning. I have for convenience sake, worked with Senator Nora Ritchie up to this point, as she is located in Saskatoon. Should I continue to work with her on citizenship matters? I will pass your concerns on to the Enumeration Minister, Mr. Robert Doucette, and his group. I am a member of the working committee.

Sincerely,

Senator Vital Morin
Chairperson of Metis Nation of Saskatchewan Senate

Dear Senator Morin:

We are in receipt of the minutes provided to the Metis Nation of Saskatchewan from the October 11, 1995 meeting of the Senators.

We are please to enclose a copy of the Financial Committee Minutes of December 21, 1994 meeting and the motion you refer to does not state any type of payment to be made to the Senators. Whereas the motion clearly refers Honorarium of \$200.00 per day makes specific reference to Area Directors.

We wish to advise you that the Executive of MNS have applied on two occasions to the Government of Saskatchewan, (Saskatchewan Indian and Metis Affairs Secretariat, SIMAS) for funding of the Metis Senators operations in the amount of \$150,000.00 in April and again just recently in October for \$81,075.00 to provide funding for the involvement of the Senate members in Enumeration, Elections Regulations and Guidelines etc. for the period November 1, 1995 to March 31, 1996. The budget which was presented in April was turned down by SIMAS.

We covered the costs for travel, meals and hotel accommodation for the Senate members and presidents, this is due to the limited funds available for the MLA. The financial situation the Metis Nation of Saskatchewan will take some time to resolve and it will require the cooperation of all Metis people to help correct the financial deficit and we make reference to MNS Administration, MNS Programs, MNS Affiliates, MNS Area Directors and MNS Staff.
