

March 1, 1996

Dear Eastern Region II Regional Council Members:

We have been conducting an inventory of all locals in the Province. In your Region we have two (2) huge problems. Upon my election I found every single ERII local file folders empty. In order to keep track of all members we need your help. Ms. Helen Johnson has indicated a willingness to provide us with copies. This will help a lot.

We would also find useful, your updated lists as per Article 7 (9): "The Locals shall provide yearly up-dates of their membership to the Regional and Head Office, separating those members who are under sixteen years of age, from those sixteen and over", of our Metis Nation Saskatchewan Constitution.

Sincerely,

M. Flament
