Re: Self-Gov't Workshop

Dear Mr. Boucher:

The Metis Society of Saskatchewan, along with the Gabriel Dumont Institute, is planning a three day workshop entitled "Metis Self-Government Nation Building: Step One" on March 17, 18 and 19, 1993 in Saskatoon. I would like to extend an invitation to you to attend this important developmental workshop.

We have all been discussing self-government issues for some time. Our first step toward self-government must be to define and understand all of the issues involved as well as to take a practical look at self-government for the Metis of Saskatchewan.

The Metis Society of Saskatchewan will cover your expenses. Your knowledge and experience will be an important part of this process, also your participation would be greatly appreciated. I look forward to hearing your response as soon as possible regarding your attendance at this significant and historic workshop.

We would encourage that the Area Directors and Senators share accomodations and rides, because of the limited amount of funds.

Sincerely,

Gerald Morin, President
Metis Society of Saskatchewan
