

REGION WRIIA

Very good response. Some have not got their own constitution but using MNS.

OBSERVATIONS

Local 126 Lots of members have moved, Ed Harper phoned, working on it, some from Delisle.
CUMFI 165 Lots of members have moved. Need to find out who?
Local 11 2 separate lists exist, need to bring them together.

There is lots lots of cross membership in Saskatoon locals. Must be checked by locals as they should say where they belong. Also these could be 2 persons with the same name.

We have mailed the results to the Saskatoon locals for further investigation.

Undoubtedly, some people belong to "back home" locals as well as Saskatoon or other city locals. Please check these out.

Cando The president lives in North Battleford?(WRIA)
Some members have moved?

Ruthilda There has been some "poaching" from other locals, most notably: Saskatoon, Swift Current, Biggar, P.A., Alberta, and many other. They have lots of members and activity.

Langham Seems quite active. 9 members live in Langham or surrounding area. 6 do not including President. Last meeting January, 1995. Should meet soon.

Delisle Last minutes 1994. 11 members live in Delisle or surrounding area. 6 do not, including one from Langham.

Outlook Everything up to date and in order.

Fiske/D'Arcy Missing addresses on forms and list Kindersley as address and some have moved? 8/13 do not live there.

Kindersley Up to date membership, need minutes, complete addresses.

**Bickleigh/
Plato** Only have a list with 2 Plato names. Is this the list or is it not sent in yet? 3 Fiske members.

There seem to be duplication and/or cross membership between Kindersley, D'Arcy/Fiske and Plato/Bickleigh. Maybe the local secretaries could compare notes?

Scott

10 live in Scott or surrounding area. Some members have been "borrowed" from Biggar, Wilkie and Saskatoon and WRIA. President lives in WRIA. Has phoned and has 5 new members.

Biggar

Have no information.

Willowfield/
Beljennie

Have list, no minutes.

The biggest question which arises from the above is: Should members have to reside in the local they register with? For purposes of attending meetings you should **and** the residency requirements - **Article 10 3 (b)** means **now** not at some point, lived in the local for 6 months. Your Region passed a motion requesting full addresses and phone numbers at the last August Annual Assembly. Please deal with the problems identified above.
