

## MEMORANDUM

**TO:** MNS Senate  
Provincial Metis Council  
Local Presidents

**FROM:** Murray Hamilton

**DATE:** September 14, 1998

**RE:** Metis Enumeration Project

As the Metis Nation of Saskatchewan Minister of Enumeration I am pleased to announce that the MNS will be conducting community consultation hearings as indicated in the attached schedule. These community consultation hearings will provide an opportunity for Metis citizens to voice their concerns on Metis citizenship, membership criteria (who is a Metis) and the methodology to be utilized for the Saskatchewan Metis Enumeration Project. A report on the findings of the community consultation hearings will be tabled at the next Metis Nation Legislative Assembly.

A discussion paper on Metis citizenship and definition has been distributed to all MNLA members and additional copies are available from the MNS head office.

This is a very important process and I encourage all interested persons to attend.

Sincerely,

Murray Hamilton

## **METIS NATION OF SASKATCHEWAN Community Consultation Hearings**
