4. Business arising from minutes  
Motion to accept political urban structure developed by R.M.M.A. and Local 175  
seconded / carried
5. Reports:  
  
President's report  
Alex explained that the area director does not want to recognize local 175 and the political structure proposed. Main objection to this is that political power is taken away from area directors and given back to the community. However, we'll as a local executive proceed forward with mandate given by Local 175 membership  
seconded / carried
6. New business  
Al Melton explained that we'll hopefully have access to a photocopier to copy the material and to distribute to the membership and community
