Dear Sir:

On August 21, the S.E. Area Metis Farm Board met with Mr. Ken Johns from the Planning Dept. for Urban Affairs. At this meeting Mr. Johns indicated that the Lebrat Metis Farm was definitely being considered to be turned over to the AMNSIS S.E. Area. One of the priorities that was determined was that a final proposal be drawn up with regards to what was going to be done with the farm in terms of, legal entity, administration, etc. This final proposal must be prepared and drawn up by no later than the middle of October, at which time it is to be presented to Cabinet.

In order that all remaining negotiations and documents, to be finalized, are in legal order, we are requesting the use of one of the Association's lawyers - namely Mr. Seb Waller. If this is in agreement with you, would you or Mr. Waller please contact me at 312-1523 as soon as possible.

Thank you for your cooperation and I look forward to hearing from you.

Sincerely yours,

Paul J. Tourond
